## **Yorktown Systems Group Awarded Contract To Provide Services For The Development And Implementation Of Strategic Plans For The National Training Center And Fort Irwin Modernization/Future Initiatives And Special Projects**

**Yorktown Systems Group, Inc.**, a Service Disabled Veteran Owned Small Business, announced today that it has signed an agreement to perform services to assist the Fort Irwin Directorate of G3, Strategic Plans in the development and implementation of plans for Fort Irwin modernization/future initiatives and special projects. **Yorktown Systems Group, Inc.** will be responsible to conduct strategic planning and apply best business practices to assist in gathering and analyzing data, tracking the implementation of higher headquarters policies and overseeing the integration of long-range plans into the current planning cycle.

Bryan Dyer, President and CEO said today, "This program is critical in assisting NTC and Fort Irwin in developing the Fort Irwin Strategic Plan as well as other plans that are developed for special projects. It is especially important now as the Army transitions its training programs and facilities to provide a Full Spectrum training capability. Our team is excited about this effort because we know that NTC is an important stakeholder in the Army's transformation of training strategies."

**Yorktown Systems Group, Inc.** is a focused professional services company that intuitively understands the missions of their Government customers. As a Service Disabled Veteran Owned Small Business, this company strives to match employment opportunities with Veterans with the belief that Veterans, who volunteered to serve the Nation, are the cornerstone of a quality workforce that can exceed the requirements of Customers. **Yorktown Systems Group, Inc.'s** corporate reputation is paramount in their long-term vision. The company's name was conceived from the last major battle of the Revolutionary War, the Battle of Yorktown, in which the nation's freedom was ensured and allowed Soldiers to go home to become our country's first veterans. The name of the company conveys their values of:

- ✓ Service to the Government and the DoD
  - ✓ Dedication to veterans
  - ✓ Laser focus on demonstrable success
-
