Yorktown Systems Group Obtains New Credit Facility From Servis1st Bank

Yorktown Systems Group Inc., a Service Disabled Veteran Owned Small Business, announced today that it has signed an agreement with Servis1st Bank of Huntsville, Alabama to replace its existing credit facility. The revolving credit facility appreciably increases the company's credit facility to support its growing operations and is in anticipation of emerging needs due to the recent award of several new service contracts to support the Department of Defense.

Bryan Dyer, President and CEO said today, "We had tremendous growth in Fiscal Year 2009 and we have already grown significantly in Fiscal Year 2010. We are projecting considerable growth over the next several years and needed a financial vehicle in place to finance our operations. This large financial vehicle is recognition of our financial stability and gives us the ability to finance large, start-up contracts."
